Maricopa Integrated Health System (MIHS) is the health care safety net for citizens of Maricopa County. The system includes Maricopa Medical Center (MMC), a non-profit teaching hospital serving the residents of Maricopa County. MMC is a full-service 449-bed tertiary acute care referral center for the Southwest. MIHS provides a full range of inpatient and outpatient medical services including a Level I Trauma Center. MMC provides additional care for the severely injured and ill patients through the Arizona Burn Center, adult and pediatric special-care units, as well as a Level III neonatal intensive care unit and high-risk obstetrical unit. MMC houses the largest teaching program in Maricopa County, with nine major teaching and residency programs, and is affiliated with The University of Arizona.
